

## COMPANY ANNOUNCEMENT

Dear Members and Patrons,

Due to the many changes in the tennis industry since the pandemic, the services we provide and the products we sell will be subject to some price increases beginning January, 2022.

We are still committed to providing you with the same high quality experience that you are used to even though we are experiencing higher operating costs and a significant increase in the cost of products, equipment and availability.

We appreciate your support and loyalty during this time.
